ITC SCHOLARSHIP WINNERS 2024

ITC would like to congratulate all area seniors from the class of 2024 and recognize graduates who received ITC and Dean E. Anderson Scholarships. We wish you the best of luck in the fall as you take the next step in your education and future!

ITC proudly awarded 23 - \$700 scholarships to graduating seniors this year. Scholarship recipients must live in the ITC territory, have an ITC service, and plan to attend a post-secondary institution in South Dakota or Minnesota. One of these scholarships is awarded to a student who is open enrolled. The respective high school officials in each district determine who receives the scholarship based on activities, honors and awards, citizenship, community involvement, academic achievement, and effort in application completion. Congratulations to these exceptional students!
